Discussion was made about the possibility of having a schooling show in the spring. This show would not go toward year end points but it would give horses and riders an opportunity to get out before show season was in full swing. More info needs to be brought to the next meeting. It was discussed that members still wanted to have a spring clinic so this schooling show would be in addition.

An idea was tossed around about the possibility of having a different kind of clinic, with demonstrations and hands on understanding essential oils, massage and exercises that can be done at home for maintenance between visits, acupressure, and kinesiology taping. More information will be gathered by the clinic committee.

Members enjoyed snacks and pet food donations were collected.

A motion to adjourn the meeting was made by Jo Ann, 2nd by Dave, zero opposed.
